South Africa to export its IPP Renewable Energy program with 11 African nations

Africa Renewable Energy Forum 2-4 Nov

Paris, Washington DC, 27.10.2016, 01:17 Time

USPA NEWS - Africa Renewable Energy Forum will be held in Marrakech under the aegis of Moroccan Kingdom, few days before the COp22, from 2 to 4 November 2016, at Four Seasons Hotel. As South Africa's DOE and IPP Office prepares to export the success of its IPP Renewable Energy programme to 11 other governments.

Africa Renewable Energy Forum will be held in Marrakech under the aegis of Moroccan Kingdom, few days before the COP22, from 2 to 4 November 2016, at the Four Seasons Hotel. As South Africa's DOE and IPP Office prepares to export the success of its IPP Renewable Energy programme to 11 other governments at the 'Africa Renewable Energy Forum' in Marrakech next month, leaders of over $19 Bn of investment capital gather with private sector developers and banks to prescribe 'success breeds success' for the energy sector.----------
Joining the forum, 300 market leading investors, 105 speakers, 17 Government Ministers and Senior Government Representatives, 14 Heads of Utilities and Regulatory Authorities from across the continent, the government of Morocco, Egypt and South Africa will discuss a 'North South Renewable Energy Corridor' and the importance of a balanced procurement programme drawing on the challenges and success of investors in South Africa.

Energy, Mitsubishi Corporation, OST Energy, JINKO SOLAR, Générale du Solaire, Chemonics“¨International, Global Wind Power, Powerchina, Fieldstone Africa, Algerian Solar Company, Millennium Challenge Corporation, Vestas, ERANOVE, Energy and Climate Change Center, Sofreco, Enel Green“¨Power, Clifford Chance, Ernst & Young LLP, Grupo Cobra, Voltalia, Chemonics International, State Grid Corporation of China, Eren Renewable Energy, DNV GL, Consolidated Power Projects Group Africa, African Legal Support Facility, ANR, Mayer Brown, Infra Invest, Rencore Energy, Venturi Renewable Energy, ib vogt GmbH, Total, Bouygues energies & services, Enara Capital, Star Scientific, Iseme, Kamau & Maema Advocates, Clear Blue Technologies, Powerchina Zhongnan Engineering Corporation, Tekfen Construction and DEG.----------
"BUILDING THE RIGHT PARTNERSHIPS USES THE BEST TECHNOLOGY AND INVESTMENT" SAID ENERGY NET´ S GROUP DIRECTOR ----------
EnergyNet´s Group Director commented "We've held some fantastic meetings in the past with the best developers, investors and the most proactive governments, but this meeting is something else, the level of investor and the joined up thinking of multi-governments is extraordinary. From our conversations it's clearly all about building the right partnerships so that when the deals are done they're with proven and bankable partners using the best technology and investment tools - we're very excited!" The early bird rates expires this Friday 21st October, so if you´re planning to attend as a delegate, make sure you register online this week to save $580 or alternatively contact arf@energynet.co.uk quoting the code ARF_EBR for further information.
